Guest Speaker

ALY RAISMAN

Aly Raisman, team captain of the gold medal winning Women's Gymnastics teams in 2012 and 2016, is the second most decorated American gymnast of all-time. The most decorated U.S. gymnast at the 2012 Games, Raisman captured the hearts of millions as she became the first American gymnast to win gold in the floor exercise. One of only two U.S. gymnasts to make back-to-back teams in more than 15 years, she helped guide the team to gold and landed a silver medal performance in the All-Around competition at the 2016 Games.

A leader on and off the floor, Raisman uses her platform to help normalize the conversation around mental health, promote positive body image and the importance of self-care. In her New York Times best-selling memoir, *Fierce*, she shares the highs and lows of her journey, including her survival of sexual abuse. Inspired by an army of survivors, Raisman continues to advocate for systematic changes within the sport of gymnastics and the eradication of sexual abuse.
